REYNOLDS, J R [Manitoba Agricultural College] November 1918 (037)

November 6th, 1918

President J. P. Reynolds,

Manitoba Agricultural College,

Winnipeg, Man.

Dear President Reynolds:

I have to thank you for your letter with regard to Mr. Jolliffes. I have received a large number of communications concerning him which are uniformly favourable. I have no doubt that he occupies a very important position in Winnipeg and is an excellent speaker. I hope also to see Mr. Jolliffes himself to-morrow. I may assure you that your letter will carry great weight with us when we come to a decision, though it may not be very soon, and indeed I am not sure as to what our course may be with regard to the matter.

Yours sincerely,

President.
